## The hotel

The Fira Palace hotel is leader in the field of hotels focused in association and professional meetings in Barcelona. The hotel is located between the famous España square and Gran Via avenue, in the heart of Barcelona. The hotel has excellent communication services to anywhere in the city and to the airport. The hotel offers **276 bedrooms** (178 standard and 80 executive) of **42 sq.m. each** (the largest in the city). The hotel also has 17 suites and 1 presidential suite. **The 18 meeting rooms** are divided in 3 levels easily connected from one to the other and they are the ideal frame for those events that require **one-and-only venue including plenary room, break-outs, exhibition and poster area, food and beverage facilities, etc.** The main lobby is big enough to organise the registration desk and congress documents delivery for participants.

The set-up of chairs and tables is included in the rental fee of the meeting rooms. All set-up styles, except theatre, include: pads, pens, mineral water and candies. The AV equipment is not included in the meeting room rental fee, but they are provided with the latest AV technology, ADSL and wi-fi internet connection. Should you need any of these services, please contact our groups department for a quotation.

**See floor-plans in next page**

## Floor-plans

The movement of participants between one floor to the other is made through a wide stair and three elevators located in the main hall, where usually the registration desk of the organiser is located for delivery of personalised documents, badges and bags.

### Ground floor
