LTDI Breaking News: Latitude Industries Working With GE Capital to Offer Floor Plan Financing

MIAMI, FL, Jul 18, 2007 (MARKET WIRE via COMTEX) --
Latitude Industries Inc. (PINKSHEETS: LTDI), a manufacturer of high-performance, center console powerboats, announces today that it is completing all the necessary steps and requirements to offer floor plan financing through GE Commercial Distribution Finance to boat dealers nationwide.

"Once again we are pushing to expand our presence in these competitive markets and be able to offer our product to more than 12,000 marine dealers with more than \$35 Billion in sales nationwide," said Carolina Hernandez, President and CEO of Latitude Powerboats.

GE Commercial Distribution Finance (CDF) is a leading provider of inventory financing programs that assist in moving products from manufacturers and distributors to dealers and resellers. CDF's specialized inventory finance programs make it possible for dealers to stock sufficient inventory for their businesses at minimal carrying costs.

By taking care of the up-front inventory costs, CDF enables the dealer to purchase needed inventory and pay as the product is sold.

About Latitude Industries

Latitude Industries is a manufacturer of high-quality, offshore sport fishing boats. The company's boats fuse innovative design with advanced light-weight composite materials that resist rot and decay and retain buoyancy under all conditions. Hand-laid fiberglass hulls offer the best of old world craftsmanship and new world technology. In addition, the company enhances the safety of its boats by using the latest lamination technology, creating a sturdy and durable hull that can handle the toughest sea conditions.

Latitude Industries employs craftsmen with decades of industry experience at its headquarters in South Florida, the sport fishing capital of the world.
