URGENT AND CONFIDENTIAL

Good Day,

My name is **MR. MACO PRINCEWILL**. The Chief Auditor of Standard Bank of South Africa (SBSA) This message might meet you in utmost surprise. However, it's just my urgent need for a foreign partner that made me to contact you for this transaction. I got your contact courtesy of South African Export Promotion Council (SAEPC) in Johannesburg while I was searching for a Foreign Partner. I'm assured of your capability and reliability to champion this business opportunity when I prayed to God about this project, there is an account opened in this bank and since 2004 nobody has operated on this account. After going through some old files in the records, I discovered that if I do not quickly remit this money out urgently from here it will be forfeited and transferred into Government treasury as unclaimed funds.

The owner of this account is **LATE MR. MANUEL ARRIGA**, from Portugal who died along with his entire family in the Tsunami Disaster in Thailand, Indonesia and India 2004 and since then the fund has been in a suspense account awaiting any next of kin No one knows about this account or anything concerning it, the account has no other beneficiary and the investigation proves to me as well that his company does not know anything about this account and the amount in the account at the moment is **US\$18,000,000.00 Million Dollars {Eighteen Million United States Dollars}**.

As the money is in United States Dollars I need a reliable foreign partner/account to transfer the money overseas thus I am contacting you. Please kindly indicate your interest and if so contact me on the above Email or phone numbers to enable me inform you on next step to take. I need your full co-operation to make this transaction work because the management of my bank is ready to approve this payment to any foreigner who has correct information on this account, which I will give you if you indicate your interest. I hope you can be able to handle such amount in strict confidence because this opportunity will never come again in my life. I need reliable and truthful person in this business relationship because I don't want to make any mistake. I need your strong assurance and confidentiality. With my position now in the office I will be giving you all the information needed from the bank.

The bank will transfer this money to any reliable foreign account, with assurance that this money will be intact pending my physical arrival in your country for sharing. All documents regarding this transaction will be destroyed once I receive confirmation of the money in your account thus leaving no trace to anything. I will apply for annual leave to get a visa immediately on confirmation to receive this fund into your designated account with appropriate clearance forms from the Ministries and Foreign Exchange Departments. At the conclusion of this business you will be given **25% (US\$4, 500, 000.00)** of the total amount, **70% (US\$12,600,000.00)** will be for me, while, **5% (US\$900,000.00)** will be for expenses that we might incur during the course of this transaction.

Finally, please if you are interested in this transaction, **I want you to send me your Private Mobile Phone and Fax Numbers for Easy Communication including your personal Bank Account Details, where this money will be transfer (Your Bank Name, Bank Address, Account Number, Account Holder's Name, Bank Branch, Identity Number, Home and email Address.** Please kindly call me on the above private phone numbers before sending a mail message for security reasons. While I'm looking forward to receive your immediate reply by phone or email as soon as you receive this letter.
