Re: payment code (bt/pa/2013)

Sequel to the taking over of the new british prime minister mr david cameron, be informed that he has instructed that all out standing foreign debt accruing from inheritance funds,funds trapped in local and foreign banks, scam victims and its associated cases should be compensated immediately through this office.

Your payment have long been monitored and as at today , we have discovered that you were mislead by some officers who took advantage of your sincere pursuit to your fund claims to demanding one payment after another from you instead of releasing your fund to you. This resolution was passed for repayment of funds to the affected victims upon his resumption of office hence we have recalled back your payment file to this office and it is now on my desk as i am writing this message to you .

You are warned to stop further communication with anybody in respect of your payment with effect from today if you wish to receive your fund successfully without further delay . Your payment file is right here with us and we are set to complete your payment immediately as instructed by prime minister david cameron and the british treasury, who has approved the sum of £1 billion dollars only, to be shared among the affected scam victims around the globe.
