

Good Day

I know this might come as a surprise to you considering the amount of junk emails we all receive on a daily basis. I can assure you that I am not one of them; I would appreciate it if the content of this email is kept strictly confidential.

I have decided to contact you due to the urgency of this transaction and the current financial situation of the world at the moment.

A brief introduction about me, I am **Mr. Victor Baloyi**, a bank manager here in South Africa. I have worked here for a little more than 16 years. I am contacting you concerning an abandoned account in the sum of **\$450Million Dollars**. I was the account manager to the late Mr. George Brumley, a foreign contractor to the department of works and housing who has an investment account with our bank. Late Mr. George Brumley died without any named beneficiary or a WILL to the account. According to practice, the Private banking sector will by the end of 2022 broadcast a request for statement of claim to my Bank, failing to receive viable claims they will probably revert the deposit to the ownership of the South Africa Government Treasury according to South Africa Banking and financial law.

I am proposing that after a successful execution of the business deal, the funds will be shared in the ratio of **50/50. You will get 50% and I will be entitled to 50%**. You know that I must have done my homework already before contacting you. Although the project is **CAPITAL INTENSIVE**, I know we will be able to pull it through following proper banking and legal Channels with your assistance at your end by standing as the next of kin/Business associate to late Mr. George Brumley. This claim will be executed without breaching any South Africa laws and success is guaranteed if we cooperate on this. The bank will release the account to you as the business associate and my recommendation of you as the business associate to the deceased.

An opportunity like this only comes once in a lifetime and I think we need the fund **(450million Dollars)** to take care of ourselves and family.

I would like you to think about this and let me know your decision because such a deal happens in the banking industry but only the outside world is not aware. If you give me a positive response, I will give you the relevant INFORMATION for the successful completion of this deal and we both enjoy it in peace. All I require from you is honesty/sincerity; I guarantee that this will be executed under a legitimate arrangement that will protect you from any breach of the law.

My Private Email: victorbaloyi757@gmail.com

If you give me positive signals, I will initiate this process towards a conclusion.

Sincerely,

Mr. Victor Baloyi.
